

Market Report for Thursday December 12th

We had 2634 cattle for this sale. Yearling steers were 3-5 higher. Steer calves under 550# were 4-8 higher. Mid weight steer calves steady. Big 700# steer calves were 3-6 higher. Heifers unevenly steady except big 650-725# weaned heifer calves were 3-6 higher. Finally seeing some overall better demand for calves, especially weaned 45 days or more. Unweaned calves with no shots are tough.
