

Market Report for Thursday May 6

We had 1244 cattle for this sale. Market unevenly weak on some weight heifers to 5-6 higher on some weights of steers. Even with corn prices rising every day there is some optimism in the calf market. However, yearling steers have lost over \$100 in value in the last 6 weeks. Box beef prices loom around \$3 per hundred weight, but Fat Cattle selling 187-190 in the meat. Big difference!! Feeder supplies cold get tight which might help demand some.
